- If inclement weather occurs during the Center's operating hours, then the school will make a decision by noon as to whether or not the school will close early. Parent/Guardians will be contacted by phone and email, so families should make sure to update their contact information regularly.
- Fees remain the same even if we close due to inclement weather or open late/close early due to inclement weather.

*Watch Me Grow Child Development Center reserves the right to close the Center if the safety of the children and or staff is at risk. **This calendar is subject to change.***
