Dear Sheppard Pratt School Families,

Included in this annual mailing are several documents that might be helpful to you as we begin the 2021-22 school year.

Included in this mailing you will find the 2020-21 school calendar, samples of the daily schedules for elementary, middle, and high school students (for both virtual and traditional/in-person instruction), and an updated copy of the immunization requirements for the 2021-22 school year. You will also find several school policy reminders including our cell phone & electronic devices policy, sunscreen policy, grading policy, and our bullying, harassment or intimidation policy. These documents, and more, can be found on our school website: www.sheppardpratt.org/school/rockville.

Additionally, there are three forms that require your signature and return: The sunscreen permission slip, the photography and video consent form, and the discretionary medication consent form (the "Pink Form").

At your earliest convenience, please return the requested forms that require signature (sunscreen permission slip, photo/video consent, and the pink form) to the attention of your student's program coordinator.

Please feel free to reach out with any questions or concerns. We are looking forward to another great school year!

Sincerely,

A handwritten signature in black ink, appearing to read "M. Hajjar", is written over the printed name.
