

# Are you ready to buy your first home? We're here to help.

Sheppard Pratt Health System, including Mosaic, Way Station, and Family Services, has partnered with the Maryland Mortgage Program to help our employees buy their first home.

## How do you qualify for this?

Employees who have worked for Sheppard Pratt or a Sheppard Pratt affiliate for six or more months are eligible for \$1,000 toward closing costs when buying their first home through the Maryland Mortgage Program. The Maryland Mortgage Program will give a matching contribution in the form of an interest-free loan.
